EDUCATION

2019 - 2023
ASTU UNIVERSITY

- Computer Science and Engineering
- Bachelor of Science
- GPA: 3.8 / 4.0

SKILLS

- Python
- Django Framework
- Machine Learning
- RESTful API Development
- Agile Methodologies
- Version Control (Git)
- Teamwork
- Effective Communication

LANGUAGES

- English (Fluent)
- Amharic(Fluent)
- Oromo(Fluent)

PROFILE

Eager Python Django developer with four years exploiting model-template-view architectural pattern of Django framework to shorten development times and reduce design costs. Specializes in creating accessible, data-driven web assets with AI integration. Keen to apply expansive development knowledge to deliver fast, efficient Healthcare management system projects.

WORK EXPERIENCE

Ethiopian Artificial Intelligence Institution   2023 - PRESENT
AI Researcher and developer

- Designs and implements AI software solutions, integrating ML models into scalable apps for efficiency.
- Develops AI products, using ML frameworks like TensorFlow, PyTorch, ensuring robustness.
- Engineers AI infrastructure, deploying ML models in production, ensuring reliability and scalability.

Information Network Security Agency   2022 - 2023
Python Django Developer (**Intern II**)

- Leads projects, architects scalable solutions, and implements best practices for performance and security.
- Designs robust backend systems with Django, RESTful APIs, and database optimizations for efficient data handling.
- Contributes to complex Django apps, collaborates cross-functionally, delivering high-quality using Agile.

EthioTelecom   2021 - 2022
Cybersecurity Engineer (**Intern I**)

- Implements and manages security solutions to protect networks and systems from cyber threats.
- Manages security operations, monitors for security incidents, and responds to incidents as needed.
